

Publica

ARCHITECT/LANDSCAPE ARCHITECT

About Publica

Publica is a research and urban design agency that works at a variety of scales, from the detailed design of a single street to setting the vision and strategy for an entire district. We are an ambitious and energetic company that advises local authorities, landowners, developers, architects and community organisations, both in London and abroad. Our projects are driven by rigorous analysis of place and context, combining active, in-depth fieldwork and documentation with an ongoing study of international best practice.

The team

Publica's team has detailed knowledge and understanding of urban conditions, coupled with a high level of technical expertise in the fields of public realm and urban design, strategic planning, research, film production, communications and graphic design. We place great emphasis on producing engaging, informative and accessible communications material as an integral part of our project work, in the dissemination of our research, and as a tool for advocating for a holistic, evidence-based approach to urban growth.

The position

Architect/Landscape Architect should have experience in the analysis of wider scale urban conditions and a thorough technical knowledge of the delivery of public realm schemes. Publica is particularly interested in candidates with experience in designing, detailing and delivering hard landscape and streetscape schemes.

At Publica, you will work as part of a multi-disciplinary team, preparing and delivering public realm strategies, masterplans and concept designs for sites across London and the UK.

Salary

Negotiable, based on experience.

An initial three-month contract, with a view to a permanent position.

Applications

CV, cover letter and portfolio showing projects of urban scale, including examples of research, hand sketching and photography, (PDF format, max 10MB) to recruitment@publica.co.uk stating Architect/Landscape Architect application in the subject line.
